### SHERRY'S SECRET DICTIONARY

**Don't You Wish Your Dog Came with a Dictionary! Now He Can!**

*If Fido is misbehaving, no problem. Just open up Sherry's Secret Dictionary, look up the offending behavior in the table of contents, and follow the advice of experts. It doesn't get any easier than this.*

In *Sherry's Secret Dictionary*, author Sherry Bedard shares her knowledge of dog training, plus the skill and expertise of various veterinarians and other trainers. Humorist Robert Benchley said, "A dog teaches a boy fidelity, perseverance, and to turn around three times before lying down." But this book is focused on the reverse, what we can teach our dogs. You will enjoy this romp in the park with Sherry. And while you are at it, you will learn plenty about canines and their behaviors. Many dogs are abandoned or neglected because their owners do not know how to cope with their mischief. The goal of this book is to educate the public and, thereby, reduce the number of discarded and ignored dogs. While the solutions Sherry offers to dog owners are simple, the impact is significant and widespread. Don't miss this

opportunity to eliminate your dog's misbehaviors and help solve a sad and pervasive problem.
