A KRINTARY NĚ CLEMĚNTIÓS: THE CLASH OF WORLDS *Sequel to Arint Saratir: Warrior's Light*

Crashing through time; what would that feel like? Finding yourself in a whole different realm ... what would you see? Plunge into a world that is at the heart of all others, and journey across the expanses, discovering things that you could have never imagined. What lies on the other side of the door of Esgaroth? Only time can tell, as Airsing journeys across “the clash of worlds,” seeking the sole weapon that can conquer evil. But what is this weapon?

Find out in this intriguing sequel to *Arint Saratir: Warrior's Light*, as you embark upon a brand new quest with Airsing the light-wielder, Xavier the int/Shilen, and Syocer the Sky Aconian. Joining them is a new companion, Azriel, the Rav of the story, who possesses the keys to Airsing's destiny.

So, what's your choice? Will you evade the steps of the Ryzeian people, who trace your every move? What happens when you mix evil with good? The end is never so clear ...
