

FOR IMMEDIATE RELEASE

TO QUIERRA, ON LIFE

Thanks for the Memories

What would you write your granddaughter as a memoir? Would you tell her your life story? Or perhaps warn her of everything to watch out for in life?

This highly personalized account by Glenora Wells-Sanders was begun on the day Quierra was born. It is a poignant and heart-warming reflection of the author's life's journey, in which she pours out her heart, so that her granddaughter will always remember her.

The memoir is also a reflection in which she gives both practical and loving advice to Quierra about relationships, sexuality, friendship, spirituality, healthy living, finance, and the need to believe in yourself.

To Quierra, On Life is about perseverance in the face of defeat, fulfilling one's dreams, and showing faith in a higher power.

This is a book you will long remember and is one that every grandparent wants to write.
